Laser vision correction (LASIK)⁵

Laser vision correction (LASIK) is a procedure that can reduce or eliminate your dependency on glasses or contact lenses. This corrective service is available to you and your eligible dependents at a special discount (20-50%) with your Superior Vision plan. Contact QualSight LASIK at (877) 201-3602 for more information.

Hearing discounts⁵

A National Hearing Network of hearing care professionals, featuring Your Hearing Network, offers Superior Vision members discounts on services, hearing aids and accessories. These discounts should be verified prior to service.

All allowances are retail; the member is responsible for paying the provider directly for all non-covered items and/or any amount over the allowances, minus available discounts. These are not covered by the plan.

⁵Not all providers participate in Superior Vision Discounts, including the member out-of-pocket features. Call your provider prior to scheduling an appointment to confirm if he/she offers the discount and member out-of-pocket features. The discount and member out-ofpocket features are not insurance. Discounts and member out-ofpocket are subject to change without notice and do not apply if prohibited by the manufacturer. Lens options may not be available from all Superior Vision providers/all locations.

Uncompromising Care for Those Who Don't Compromise

Superior Vision provides comprehensive vision care benefits to millions of Americans. Our members enjoy low-cost, low-stress coverage, with plans that offer a variety of options. Together, we're dedicated to helping the world enjoy the wonders of sight through healthy eyes and vision.

Superior Vision Overview

Access to one of the largest and most diverse eye care provider networks

Superior Vision has one of the widest retail networks in the industry with all of the top 50 retailers included as in-network options.¹

Offering more through our progressive lens benefit

Our member pricing for standard progressive lenses is often considerably lower than our competitors; they have standard progressives covered at the bifocal level or associated with high copays.²

Diverse online retailer options

Through 1-800 Contacts, Befitting, Glasses.com, and ContactsDirect, many members can utilize their vision benefits at their convenience from home or on the go.

Eyewear Dispensing Program

from **WersantHealth**

Through this historic new program with Essilor, members can choose from a larger variety of lenses and add-ons, which include the latest in lens technology, blue light filtering, and more. Participating eye care professionals have a nationwide lab network to choose from, which can improve turnaround times on orders. **14M** Members³
